40.YEARS nehir

We have combined our dreams
and hopes, with our experience
and work...
We forged to the steel.

We respectfully present to you.

*We have been producing
with love since 1981...*

40 years of experience...

Our company, having launched the activity thereof with commercial activities steel goods in **1981**, has passed to production phase in 1986 and became one of the leading companies of the industry in our day. Our company, name of which is frequently mentioned in the glassware sector thank its dealer network throughout all Turkey as well as its suppliers and the exports achieved thereby, utilizes Europe origin stainless steel in entire production thereof as raw material.

Nehir, having a monthly production capacity of **one million pieces**, always targets to present the best and the most beautiful products to its valued clientage with new designs. We have made quality a fixed standard in all details from design to selection of raw materials, from production to polishing and from packaging to shipment. Nehir A.Ş. having adopted the principles of aesthetics and reality with its experience of **40 years**, currently gives **50 years** guarantee to its products thank its experience of long years and the importance it attaches to product quality.

We, considering our customers, employees and suppliers as partners in line with our working philosophy, successfully continue our activities in the industry with its slogan of "**quality and affordability at the same time**". Our target is to walk to the future side by side with your esteemed side thanks to your valued confidence and support.

To maintain this confidence is our duty while providing services to your esteemed side is our pride.

Best regards
